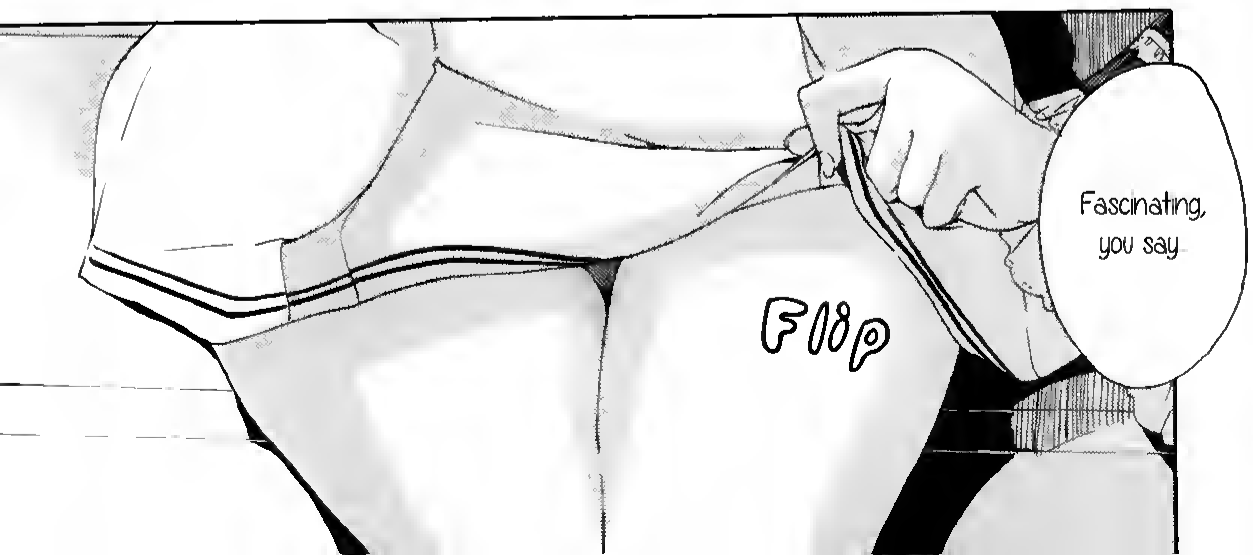
Chapter 2 The Silvery-White Angel
Sara-chan!
It's dangerous to enter the church at this hour!
Why? No need to be worried about ghosts
If we meet something, it'd be an angel!
Geez! At least you're here, Sara-chan, or I'd be too frightened
I feel much better when you're with me, too! You gave me strength after I transferred in
Eh? Really?
We're so high!
There was someone at my last school whom I loved
Ah, beer.
...
Tack

It happened in winter
It's snowing again
Middle School 1
Hmm? Yeah
I never thought I'd be tutoring a girl who's actually lived in an English-speaking country
But the questions are tough!
"Write the first person or second person possessive case in the blanks." What?!
Yes?
Ah Uhm. Shion-sensei?
Slide...
Clench

I truly loved Sensei
blush
Love
A loving kiss
SLIDE
Haruu
Miharu-san?
This is the first time I'm telling anyone, but
Sara-chan
grab

Will you hear my story?
Earlier that day, during recess.
Her braids...
Miharu-san... What I saw was just you being tricked by Itsuki, right?

What are you girls chatting about?
Sara-chan! Hey, did you hear the rumor..?
At night in the church, you can see an angel!
Turn away
That's right! The moonlight sparkles through her silvery hair, and
it shines through her bronze pupils.
Her skin, a really light pink.
Aaah
NO NO! IT'S AN ANGEL! NOTHING IS MORE FASCI-NATING!
I get cold chills just hearing it



Fascinating, you say
Flip

Sa-
Sara-chan!
Oh my, Miharu-san! Adult underwear!
Eeh?!
Hm-hmm!
Eh?
Did you buy that uncomfortable-looking moth-embroided pair of panties yourself?
W-was that a butterfly?!
pinch
Kyaa!
SLICK
How did she...
Your
It can't be Senpai told Sara-chan, right?

I used it this morning
What did you say?
VSSSSH

Were you taking a shower?
Yeah, that wig is so stuffy

Sara, you're the one always hanging out at the church at night looking like that, huh?
And drinking beer?
People might start rumors!
Shock

T-they call me an angel!
Nya hahaha!
A girls' school is something else

Did you check inside your uniform's pockets?

If anyone found out, you'd get expelled, you know!!
Don't forget the agreement that let you enroll!! Come on, let's hear it!
Uh
Yes!
First, I must never do something that makes me stand out
And, I...
I... must abstain from any illicit love affair
What's illicit is up for debate.
Good, etch that into your brain
Clench
Itsuki. Did you force Miharu-san to switch underwear with you?
...

How can you say that?! I'm your cousin! I'm watching over you here, protecting you from frenzied lesbians!
I'm just teaching a "stray bird" a lesson
It's not like I'd choose to wear tiny panties like these, right?!
rustle
LIFT
You avoided the question.
I'm sorry
grab
bulge
What was she doing to get bitten by a bug in that spot?
And promise me you'll never show yourself like that to others.

I would have gladly drunk your fragrant sake !
Just the toilet
Sensei, where you have been?
Geez!
That's right, isn't it?
The conversations would quickly led to sex.
Roll
Rub
slick
drip
sip
I kept fantasizing about secret trysts with her.
Then please take care of it next time, okay?

Sensei was still a virgin
I'm surprised you had something with a Sensei
I think Shion-sensei looked out for me specially because I had just come back to Japan
Perhaps I was a bit too young to do it?

What a kind Sensei
Yes

The moonlight shining through chestnut-brown hair
